In Memory

Sandy the yellow lab passed away in June. She was twelve years old. Sandy spread love, joy and happiness during her three years living at here Regency Park with her pet parent Al. Al and his wife Patricia rescued Sandy when she was a year old. She was always friendly and happy to meet new people and dogs. Sandy loved to have treats and lots of attention! She especially liked bacon. She also loved to go outside for a walk or to just lay down next to Al. She loved to travel, and would sit in the front of the motor home with Al so that she could see everything. Sandy made everyone who met her smile and she will be dearly missed by all the residents, staff and visitors at Regency Park.
