## June 2018

### Our Resident and Employee of the Month

Vera S. is our Resident of the Month for June! Born and raised in Baltimore, Vera has two sisters, and raised two daughters and one son. Her husband was in the US Army during WWII, which moved Vera and her kids to Nebraska and California before they landed right back in her hometown. While on a vacation to Hollywood, Vera's husband once dared her to knock on the door of Allen Hale... and she did! She loves to read James Patterson books, play Bingo, and chat with her tablemates, known as the Fabulous Four. We love seeing your smiling face here, Vera! Congratulations!

Deneisha H. is our Employee of the Month for June. Having only been here since March, Deneisha has quickly become well loved by all residents and staff at Regency Park. She has two sons who she loves taking to sporting events and spending time with. When she isn't working, Deneisha enjoys planting flowers and cooking food she's never made before. We are so lucky to have her as part of our family. Congratulations, Deneisha!
