November 2018

Our Resident and Employee of the Month

Sylvia S. is our Resident of the Month for November! She was born in DC and raised in Prince Georges county with her sister and brother. She formerly worked at the US Treasury. Some of Sylvia's favorite things are math problems, reading, spending time with her family, Nationals baseball, Redskins football and watching TV (especially Property Brothers). She loves the show so much, she even has a signed photo of her favorite brother, Jonathan! Congratulations, Sylvia; we're so happy to have you here!

Our Employee of the Month for November is Norrine L.! Born and raised in Baltimore, Norrine comes from a family of five siblings. Norrine has six daughters of her own. When she's not making delicious food for all of us, she loves to spend time reading Harry Potter books, singing, watching TV and horror movies. Someday she hopes to be able to swim with the dolphins! We're so happy that Norrine joined our family three months ago. Congratulations, Norrine!
