What better way to cool off on a hot summer day than by enjoying a good old fashion Ice Cream Cone Social. Residents delighted in the simple pleasures of this creamy treat while engaging in stimulating conversation with friends and family

Residents enjoyed having the opportunity to go shopping at Brenda's Store on Wheels this month. A wide selection of toiletries, photo frames, scarves, socks and other items were available to purchase. Participants stated that they liked the convenience of not having to brave the summer heat.

This month's Patriotic Pet Parade was a huge success. Canines were dressed in red, white and blue accessories along with their pet parents. Everyone enjoyed these fun loving pups who were very generous with their tag waging and licks.

Steve Gambrill of Extreme Family Entertainment amazed guests with his illusions, puppetry and balloon sculptures. He invited members of the audience to assist him in performing a number of his magic tricks. At the conclusion of the show, residents were presented with artistically designed balloon souvenirs.

Our very own Chef Lionel showed off his incredible cooking skills at last month's Chef's Corner activity. Attendees enjoyed watching Lionel prepare ham and cheese quiches. Everyone agreed the best part of the session was getting the opportunity to sample his deliciously prepared dish.
