Employee of the Month

Kerry Durgadeen, Wellness Director was born and raised in Washington, DC. She has been employed at Regency Park for eight months. Kerry is the mother of two daughters ages 12 and 17 years old. She is a devoted mother and enjoys spending time with her family. She will be getting married in Puerto Vallarta, Mexico July of 2018. Kerry loves to travel and has fond memories of her visits to Jamaica, Trinidad, Arizona, Miami and various other destinations. Kerry states that her favorite destination was Jamaica where she became engaged. She has a number of leisure interests, including; watching horror movies and shopping, both online and at area stores. She utilizes some of her time devoted to a second career, working as a birth doula; supporting families through pregnancy and postpartum. She has assisted in two births and is currently supporting another client who is due in late August. When asked what future endeavors she had on her list, Kerry states she would like to go skydiving and purchase a home.
