#### *Anniversaries*

Oscar G. 1 year  
Louise G. 1 year  
Pat and Ruth B. 2 years  
Mary L. 4 years

#### *Welcome to Our New Admissions*

Stanley J.

As we transition to cooler months ahead, we can enjoy wonderful memories of the past summer events and activities. During the month of August The Green Thumb Club began planting and cultivating citrus seeds. Later the same week, we had a large turn-out for our ice cream cone social where residents played an ice cream trivia game. The Baker's Club members enjoyed perfecting their cooking skills making delicious bruschetta. Individuals who attended the Wonder Science Experiment sessions discovered that science is not only educational but fun too. Our last two projects involved making lava lamp solutions and inflating balloons hands free with baking soda and vinegar. We also observed eggs being magically pulled inside bottles that had been heated resulting in an increase in air pressure. Science Club members were amazed with the results of the experiments. Who doesn't enjoy winning prizes? Many residents attended the secret auction in which they had the opportunity to bid on mystery gifts and win prizes with play money. One of the highlights of the month was the historical re-enactment of Amelia Earhart by Mary Ann Jung a professional actress and historian. Mary Ann provided the audience with little known facts and information

The program was interactive and residents enjoyed playing the roles of President Dwight Eisenhower, his wife Mamie and an aviator. A good time was had by all and after the program an enthusiastic round of applause could be heard.

### Resident of the Month

Clyde G. was born and raised in New Philadelphia, Ohio. He served in the Air Force for four years. Clyde later attended Catholic University, receiving a BS degree in architecture. After graduating he was employed at several architecture firms before opening his own firm. He was responsible for designing schools, churches, nursing homes and various other structures before retiring after a successful 40 year career. He also had the opportunity of devoting his time to a second career as a real estate agent, focusing on assisting seniors and their families in buying homes. Clyde has been married to his lovely wife Betsey for 69 years. They are the proud

parents of two sons, five grandchildren and three great grandchildren. Clyde utilized his leisure time traveling to Europe and going on cruises. He was an active and devoted member of his church, serving as a trustee for many years.
