Neeko was born and raised in Venice, Florida along with one sister. He enjoyed the warm weather and all the fun activities that were available in the state of Florida. Neeko has a number of leisure interests including taking care of his pet hermit crab, watching horror movies and playing video games. His favorite movies include; Blade, New Jack City and Friday. Currently, Neeko is a full time student at Anne Arundel Community College. He is working towards getting his Associates Degree in general education.
