Music and Thanks

With another Halloween season over, the Holiday madness is sure to ensue. However, it's important that we do not forget to be thankful for what we have each and every day, especially with Thanksgiving approaching. We'll give a special thanks to all our veterans who have faithfully served the country with a Veterans Day ceremony. We will also take time to reflect on what the Thanksgiving holiday means to us and share memorable family traditions. To really get our spirits up and dancing, there will be tons of music throughout the month! Holly Live, Music by Bob and Lyrics by Linda will all be back to grace us with their vocal talents, but we will also have some new guests! Moxie will stop by to strut her stuff and we will even have Elvis in the Building! Plus, the boys of our very own Angela will put on a show for us! Residents will also get a

chance to do some shopping at Target before the Christmas rush and enjoy a meal at Osaka's Grill and Buffet. November will surely be a busy month of entertainment and food!

Making the Spotlight: Read All About

I am pleased to announce that Helen W. is the Resident of the Month. The classy Helen is originally from New Jersey and is the proud mother of two children, Dennis and Janet, and one grandson. She was married for thirty-three wonderful years to her husband, Thomas. As for her professional life, Helen was the secretary to the Dean of Women at Muhlenberg College in P.A. After retiring, she took several mother-daughter adventures, including trips to Las Vegas, San Francisco, cruises and many other places. Helen also has many hobbies. She belonged to a ladies card club for 40 years and also took part in artistic projects. However, her greatest accomplishment is always being "a really great mom" as her daughter, Janet, puts it. Good job, Helen! We all love you!

Doing the Job Right!

With so many incredible employees, it's often hard to choose the Employee of the Month, however, one Med Tech/Caregiver stands out and that is Rachelle M.! Hailing from Washington, D.C., Rachelle has been a hard-working asset to Regency for over six months! When she is not taking awesome care of the residents, Rachelle loves shopping, spending time with her wonderful family and entertaining herself with music, books and movies. Her favorite book is "The Purpose of Life," while her favorite movie is "Cornbread, Earl and Me." Besides surrounding herself with the arts, Rachelle is also an accomplished bartender and traveler. Her most beloved destination is Miami, Florida. One thing she would like to do in her lifetime is visit the beaches of Hawaii and swim in the beautiful oceans! Good job, Rachelle! Keep up the good work!

Highlights from October!

October was a frightfully fun month. Residents were able to see the magic tricks of Vick the Illusionist, while Jimmy took them back to the Salem Witch Trials! We also want to thank everyone who came out to the Fall Festival. It was a huge success and a beautiful day!
