It's Beginning to Look A Lot Like Christmas!

It's the most wonderful time of the year! A time of laughter, food, friends and family! But before we get carried away with all the Christmas Joy, let's take a look back at all the awesome things that happened in November. We were graced by many musicians this past month and fun family moments for the Thanksgiving holiday! We also took time to celebrate our veterans on Veterans Day! Just take a look at all the fun below!

Happy Birthday!

We Love You!

Doing the Job Right!

It is with great pleasure to announce Monique B. as the Employee of the Month. Having worked here for 3 years, Monique has one son and loves to play football and basketball. She loves the movie, *A Christmas Story*, and her favorite story is *The Little Mermaid* by Hans Christian Anderson.

HOLIDAY DINNER!

This is just a friendly announcement that the Annual Holiday Dinner will be on Friday, December 15 at 5pm! Come prepared to eat a fantastic meal and be entertained! Please be sure to sign up at the front desk!

All About Vi!

It is a pleasure to announce Vi C. as the Resident of the Month. Vi has lived at Regency for nearly twenty years, having the distinction of being the first resident at Regency Park. Vi is known for her fashion sense and is also the queen of bingo! "I could play Bingo ALL day long," Vi says. Vi also enjoys playing Corn Hole to keep in shape. In her spare time, she loves spending time with her devoted family and likes reading *Us Weekly* and the *National Enquirer*. Way to go, Vi!

Meet Alli!

Nice to meet everyone! My name is Alli, I'm from Severna Park, and I'll be Regency Park's newest activities director. I've had a great time assisting Jimmy the past couple of weeks, and as he moves on to new opportunities, I am excited to step into his position here. I definitely plan on continuing our traditional activities, along with cultivating some new, fun things to do together. I look forward to becoming a part of the family and thank you all so much for being so warm and inviting already.

See You Soon!

I've learned a lot about life over the past several years working at Regency Park, things I could never imagine grasping in any classroom. I want to thank the residents for all they have taught me: Kindness, laughter, integrity, not taking things so seriously. These are things I'll always keep with me in my mind and heart wherever I go in this big and crazy world. As I move on to another journey in life, it is not good-bye but see you soon. I'll be back once a month to do a Fairy Tale performance and look forward to our visits in the future. -Jimmy
