## May 2018

**Our Resident and Employee of the Month** 

Wanda D. is Regency Park's Resident of the Month of May! Wanda has done her fair share of nursing and caretaking. Wanda previously worked in the delivery room of a hospital in Rapid City, South Dakota, where she is from. She estimates delivering about 27,000 babies over her 41 year career! Her most exciting and memorable deliveries took place in a teepee and on a plane. Wanda has continually showed her caring side to her table mates in the dining room and other residents here at Regency! We are so excited to have her as our Resident of the Month!

**Cheryl R.** has been a part of the Regency Park family for a little over 2 and half years and has been awarded Employee of the Month for May! Born and raised in Maryland, Cheryl has two kids and a brand new grandbaby. She says one of her favorite things to do is spend time with her granddaughter. Cheryl is well loved and respected by all of the Regency Staff, and we are all honored to have her as our Employee of the Month! Congratulations, Cheryl!
