Here's Our Resident and Employee of the Month!

May 2022

Congratulations!

Resident of the Month

James Emerson is our resident of the month, and we've got to say that James is a great guy! James was born in Washington, D.C. but has spent most of his life here in Maryland. James has a passion for reading science fiction, classic cars, and of course music! He can name just about every song that comes on the radio here at Regency, but his favorite genres are folk and rock n' roll. When asked, he says that his all time favorite musical group is Peter, Paul and Mary. We also asked James if he had any advice for the younger generations, and he simply said, "Take chances"!

Employee of the Month

George is our well deserved employee of the month, and we are excited for the chance to spotlight him. George is a proud father and grandfather that truly values family. In fact, one of the things George likes about Regency is the family setting! He also likes to fish, bowl, play basketball, and build things. George's interest in handiwork and family values makes him a wonderful Maintenance Director. Whenever George isn't running around from one project to the next, he can be found chatting with residents, wearing a smile. We are lucky to have you George! Thank you for everything you do.
