DID YOU KNOW?

August was named to honor the first Roman emperor (and grandnephew of Julius Caesar), Augustus Caesar (63 B.C.– A.D. 14). Augustus (the first Roman emperor) comes from the Latin word "augustus," meaning venerable, noble, and majestic.

The SHEA/SHAES

Shae Kassim is an only child, a mother and our employee of the month. She is a prominent employee in our memory care unit. Shae enjoys road trips, shopping, cleaning, mother-daughter time and skincare, which she is very dedicated to during her leisure time. Fun facts about her are that she used to be a problem child, she is often perceived as younger than her actual age and she is from Burundi in East Africa. She is well loved by the residents in the memory care unit and can often be found doing skincare and haircare for each resident, which they love. We appreciate the time you take to care for our lovely residents, Shae. Congratulations and keep being positive in everything you do!

Born and raised in Baltimore, Maryland; a mother, grandmother of two and our resident of the month, Janice Shea. Jan was once a front desk receptionist and can often be found at the front desk viewing the flowers surrounding the front porch or by the library at the fish tank. On a Wednesday, she looks forward to having her favorite orange creamsicles and playing bingo. In her earlier years, Jan was a frequent traveler and has been on over 50, yes "50" cruises. She has a beautiful smile and if you ever want to see her smile, start Dancing! That is one of her favorite things! Congratulations, Jan, keep smiling and we will see you at the next karaoke event.
